Important Information: Property owners are reminded that properties are required to be maintained for the whole of the fire danger period. Depending on the season this will normally require that the property is cut more than once. It is the landholder's responsibility to ensure that the block does not pose a fire hazard at any time of the year, especially during the Fire Danger Period.

Contractors: If a contractor would like to add their name to this list or change their details, please contact Council's Local Laws Coordinator on (03) 5573 0444.
