ASSESSMENT CRITERIA

The Minister for Planning in his Minister's Guideline (MG/12 dated June 2005) has set out the objective and decision guidelines that Council must have in regard to when considering varying a design and siting standard.

DECISION GUIDELINES AND REASON FOR APPLICATION: The reporting authority may give its consent where a single dwelling does not comply with Regulation 86 of the Building Regulations 2018, if —								
Provide comments <u>or</u> tick N/A								
N/A □	a. 1	a. The location of the private open space maximises the solar orientation of the allotment; or						
	Comment:							
N/A □	b. The availability of, and access to, public open space or communal open space would lessen the demand for private							
	open space on the allotment.							
	Comi	ment:

NOTES:

Council will consider the needs of the applicant and also the potential impact upon the adjoining properties and or infrastructure when making its decision. As such this application will be referred to the affected owners for comment prior to making a decision.

The personal information requested on this form is being collected by Council for assessment of your application for a Consent and Report pursuant to Building Regulation 86. The personal information will be used solely by Council for this primary purpose or directly related purposes. The applicant understands that the personal information provided is for the assessment of the consent and report application and that she/ he may apply to Council for access to and/or amendment of the information. Requests for access and/or correction should be made to Council's Privacy Officer.
